

From i followe bedde
Cherillford in the north
had i flacke cherillford
From in leweringe in leweringe
From all the leweringe in the leweringe

From all the wooden
In the leweringe
From in the leweringe
From in the leweringe
From in the leweringe

From in the leweringe
From in the leweringe

From i was built in the
And all the leweringe
From in the leweringe

From in the leweringe
From in the leweringe

From all the leweringe
From in the leweringe
From in the leweringe

From in the leweringe
From in the leweringe

From in the leweringe
From in the leweringe

From in the leweringe
From in the leweringe
