Echoes of the Past

Saxon Epsom comes back to life in Rosebery Park!

Meet the folk that gave our town its name and discover how they lived as they get ready to face the Vikings at the battle for London in 1016.

There will be living history displays and crafts including weaving, have-a-go braiding, kids dressing up, weapons handling, skirmish combat, warrior training, coin striking, candle rolling, music, stories and children's activities.
