LOCATION OF CHICHESTER CATHEDRAL

Chichester Cathedral lies on West Street, in the south-west quadrant within the city walls close to the Market Cross. The Cathedral's postcode is PO19 1RP but please remember that the Cathedral lies at the heart of Chichester's central pedestrianised area and there is therefore no vehicular access. Parking is available outside the walls.

TRAVEL

Chichester Cathedral is around 400m from Chichester Station. Fairly frequent train services run direct from Victoria via East Croydon and Gatwick Airport and there is a coastal service from Brighton. In addition there is a coastal service from Portsmouth, connecting with trains from Waterloo.

Chichester is accessible by road via the M27 and A27 which connect to the A24, A29 (from the eastern parts of Surrey) and A3 from London and western parts of Surrey.

There are all day parking options outside the walls of the city with a multi-story car park at Avenue de Chartres. Alternatively there is parking at the Northgate car park, just a little further away but on the side of the city many may approach from. The Cathedral produces a leaflet for parking options on which you will be able to find the locations of the car parks mentioned. See:-

LUNCH

Being a city there are plenty of options for lunch, including the café in the Cathedral cloisters. For those choosing the al fresco option the Bishop's Palace Garden is a pleasant place to enjoy a packed lunch.
