A standing order is an instruction to your bank to pay a specified sum on a specified day. Standing orders can usually only be applied to current accounts and can be cancelled at any time. They can only be cancelled by you direct with your bank.

By paying your subscription by standing order, your subscription will automatically be paid on 1st April of each year.

You need only complete a new mandate form when subscriptions rates change.

Standing orders help the Society's administration by reducing the costly and time-consuming process of chasing non-payers.
